- 4. The traditional four (4) infielders (first, second, shortstop, third) must be positioned within the boundary of the infield when the pitcher is on the pitcher's plate.
- 5. **Defensive overload shifts (infield or outfield) are NOT allowed.** No more than two (2) infielders may be positioned on either side of second base when the pitcher is on the pitcher's plate. No more than two (2) outfielders may be positioned on either side of second base when the pitcher is on the pitcher's plate. If the infielders and/or outfielders are not aligned properly at the time of the pitch, the offense can choose an automatic ball or the result of the play.
- 6. Outfielders may NOT make putouts in the infield.
- 7. All players must rotate positions. All players must play the infield and outfield positions, a minimum of two (2) full innings in the outfield and a minimum of two (2) full innings in the infield. Catcher is considered an OUTFIELD position.

- 9. All players must sit out at least one (1) full inning before any other player sits out two (2) full innings. This is carried over to the next game and so on. Therefore, all players would have sat the same number of times at the end of the season.

#### **B. GAME RULES**

- 1. A complete game is six (6) full innings (5½ innings if the home team is winning). An official game is four (4) full innings (3½ innings if the home team is winning). No new inning can begin after 8:00 PM or 2 hours after the game start time on Saturdays.
- 2. A team will not be allowed to score more than four (4) runs per inning, EXCEPT for the last inning in which there is no limit.
- 3. A twelve (12) run rule will be in effect after the completion of five full innings (4½ innings if the home team is winning). After a team goes ahead by twelve runs the game will be concluded. Two (2) examples of this rule are the following:
  - a) If the home team is winning 12-0 after the conclusion of the fifth inning the game is over.
  - b) If the score after the conclusion of five innings is 9-0, you will begin the sixth inning. If the visiting teams scores three (3) runs in the top of the sixth, the game will be over.
- 4. When the count reaches four balls, the batter's coach (or another member of the coaching staff) will pitch to the batter overhand only, no closer to the plate than the front edge of the pitching mound. The strike count will continue with balls and strikes being determined by the umpire after the second game of the season. The coach is expected to pitch to the level of the batter's ability. The batter may strike out by "swinging" or on a called strike. There will be no walks and no free base if hit by the pitch. Any ball that hits the pitching coach will be considered in play. The player in the pitching position must have one foot on the dirt of the pitching mound and even with the pitching plate. This rule will be in effect for the first 6 regular season games, but may be extended at the discretion of the RHAA Commissioner with input from the Minors head coaches. The remaining regular season and playoff games will have no coach pitching. Four balls will be considered a walk. NO INTENTIONAL WALKS all players must be pitched to.

- 5. Runners will be allowed to steal from first to second and second to third bases ONLY if the catcher catches the ball. For the purpose of this rule, the definition of "catching" the ball is that the ball remains in front of the catcher's feet. If the ball goes behind the catcher's feet, each runner must return back to the original base that he/she occupied. A RUNNER CANNOT advance further than the base he/she is attempting to steal on an overthrow. FOR EXAMPLE: If a runner attempts to steal second and the catcher overthrows second base, the runner must STAY at second base and CANNOT advance to third base.
  - a) Runners may NOT leave the base UNTIL the pitch crosses home plate. The umpire will give one (1) warning for violations of this rule and, upon a second violation, the runner will be called out.
  - b) Delayed stealing is NOT ALLOWED. Once a runner stops forward progress, he/she must return to the original base that he/she occupied. If a runner has stopped forward progress, the catcher may NOT attempt to "throw behind" or pick off the runner.
- 6. On an overthrow in the infield (other than on an attempted steal), a runner may advance no more than one (1) base at his/her own risk, regardless of subsequent overthrows on the same play. FOR EXAMPLE: There is a runner on first base and a ground ball is hit to third base. The third baseman overthrows second. The runner originally occupying first base may, at his/her own risk, ONLY advance to third base regardless of any subsequent overthrows.
- 7. EACH TEAM WILL BE LIMITED TO TWO (2) STOLEN BASES EACH HALF INNING. A double steal counts as two (2) bases.
- 8. All games will be played using the standard base paths of 60 feet.
- 9. No infield fly rule.
- 10. No balk rule.
- 11. If there is a play at Home Plate, the runner MUST slide. If the runner does not slide it is an automatic out.
- 12. No headfirst slides are permitted when advancing to the next base. Headfirst slides are permitted when retreating back to the last attained base.
- 13. No dropped third strike rule. On any third strike, the batter is automatically OUT, but the ball is live in play for any runners on base.
- 14. Team standings will be calculated by awarding two (2) points for a win, (1) point for a tie, and no (0) points for a loss.
- 15. Tie-Breaker rules (for the standings) will be the following:
  - a) Head-to-Head
  - b) Total runs allowed (least)
  - c) Total runs scored (most)

Each standard comes in several barrel sizes. BBCOR minus 3 bats are NOT permitted. All bats must NOT exceed 1.15 BPF standard. If a bat exceeds 1.15 BPF, the bat is illegal. Wood bats may be used provided they meet the aforementioned specifications. A batter is declared out if he ENTERS THE BATTERS BOX with an illegal bat or is discovered to have used an illegal bat before the next pitch following the turn at bat of the player who used the illegal bat. If the infraction is discovered before the next pitch following the turn at bat of the player who used an illegal bat, the defense may take the penalty or the result of the play.
- 2. Little League rules apply in all other cases.
- 3. Catchers are required to wear a protective cup at all times, and it is recommended for all others.
- 4. Coaches and Parents will not be allowed to make any comments regarding balls or strikes made by the umpire. One warning per team will be issued. The next individual to violate this rule will be asked to leave the game.
- 5. If a player has to leave during the game, the player's spot is simply skipped the next time it comes up in the batting order. It is NOT an out.
